**Here's how it works:**

1. Share your name and phone number and instantly earn your first reward points!
2. Dive into shopping and watch your points pile up with every purchase.
3. Redeem your discounts on any item over \$10 and treat yourself to serious savings.

**Earn points every time you shop.**

Earn one point per dollar you spend. Once you collect enough points to hit the discount brackets below, you get a percentage off your order:

200 points - 10% off

300 points - 15% off

400 points - 20 % off

600 points - 25% off

**Check your buying history.**

Never lose track of your new favorite strain. Our smart rewards platform remembers your purchase history, so you can revisit past favorites and shop with confidence every time.

**Stay in the loop with text updates about new arrivals and daily deals.**

Map out your points strategy and be first to hear about the latest drops and exclusive offers at Puffwick & Blunt. Change your mind? Opt out of texts anytime.

**Can I stack rewards discounts with daily deals?**

Rewards discounts can't be stacked with regular daily deals, but they can be used on products that aren't on sale that day. It's like this: if you come in on a Tuesday (when it's 25% off CBD and edibles) wanting to redeem a 20% rewards discount, you can't apply your points to CBD and edibles. But if you also wanted to buy, say, an ounce of flower that day, you can use your 20% rewards discount on that.
